## **Configuration Assistant**

Fort Garry Fire Trucks is looking to hire a full-time Configuration Assistant. Higher education and manufacturing experience will broaden the scope of work and the compensation accordingly.

### **Responsibilities and Duties:**

- Performing general administrative tasks to assist the department (filing, etc.)
- Analyzing work order labour history to verify standards for the bill of material routings
- Creating bills of material and manufacturing routings based on engineering drawings
- Releasing production work orders
- Configuring fire apparatus in MRP software based on customer specification

### **Requirements:**

- High School diploma or equivalent
- Ability to read engineering drawings
- Strong computer skills including Excel, Word and MRP software
- Fluent spoken and written English
- Reliable transportation
- Legally entitled to work in Manitoba
