SERVICE TECHNICIAN

Fort Garry Fire Trucks is looking to hire a full-time Service Technician. In this role, you will be responsible for diagnosing, testing, and repairing fire trucks as well as medium and heavy-duty trucks at our service shop. Full training is provided for fire pumps, Hale/Waterous/Darley, as well as ladder and aerial ladder testing.

Applicant Requirements:

- Minimum 3 years of experience in a service technician/mechanic role
- Knowledgeable in the diagnosis, service, and repair of heavy trucks
- Experience with heavy electrical systems, air brakes, and hydraulics on a wide variety of vehicles
- Independent worker
- Familiarity with Outlook, Excel, and Word
- Fluent spoken and written English.
- Capable of lifting and moving up to 40 lbs. individually.
- A valid driver's license
- Legally eligible to work in Manitoba.

Assets:

- Certified in Provincial Safety Inspections, including heavy trucks.
- Red Seal Heavy Duty Equipment technician preferred.
- EVT certification preferred and will be required within 12 months of hire.
