Supplier Code of Conduct

Fort Garry Fire Trucks Ltd. (FGFT) is committed to sourcing materials and components in a manner that upholds human rights and supports the elimination of forced and child labour. This Supplier Code of Conduct sets the minimum standards that all vendors and subcontractors must meet as a condition of doing business with FGFT.

Suppliers must:

- Prohibit the use of all forms of forced or involuntary labour, including prison labour, bonded labour, military labour, and human trafficking.
- Prohibit the employment of workers under the legal minimum working age, in compliance with applicable laws and ILO standards.
- Provide working conditions that are safe, hygienic, and non-discriminatory.
- Comply with all local and international labour and wage laws.
- Maintain records that demonstrate compliance and make them available upon request.

FGFT reserves the right to audit suppliers and terminate relationships if a supplier is found to be non-compliant with this Code.
